## Requirements

Participants are required to have completed an education as navigational watchkeeping officer or higher including ARPA-Systems. Verification needs to be provided by handing in a copy of a certificate of competency according regulations II/1, II/2 and II/3 of the annex to the STCW Convention (95 amendment or higher). In case of CoCs without reference to above mentioned (e.g. national certificates) ARPA knowledge needs to be proven separately and BSH will be consulted by the INMT.

Information on ECDIS competence of Masters and Deck Officers are published by the Federal Maritime and Hydrographic Agency of Germany:

<http://www.deutsche-flagge.de/de/befaehigung/ecdis-englisch>

Furthermore basic Computer handling skills are required and need to be confirmed on registration documents.
